

FINDING YOU FABULOUS VENUES

Saving you time and money

WHO WE ARE

Founded by Sacha Dykes in 2002, Sixstar is a dynamic venue finding company based in London, working with clients mainly from the financial sector sourcing venues for meetings and events across Europe.

WHAT WE DO

Sixstar offers a free venue finding service sourcing and booking venues all over Europe.

We tackle events ranging from small financial roadshows to large conferences, anywhere in Europe.

The strength of our service lies in understanding our clients' needs, responding to these needs as fast as possible with creative solutions, saving our clients time as well as money.

HOW THE SERVICE WORKS

After you have briefed us, either by telephone or email, we research what venues are available and subject to the nature of the brief present the options within the hour or day.

We invest considerable time on site visits, recognising the importance of first hand venue knowledge. Our recommendations are unbiased and impartial as we know that the most important part of our long term success is finding the best possible venues, meeting our clients' needs and leaving them with a lasting positive experience of our service.
